Mr. John B. Johnson,
633 East Brambleton Ave.,
Norfolk, Va.

Dear Sir:

I am hastening to answer your letter, as you said you were leaving the 1st of March, and I wanted you to send me your address so I can keep in touch with you.

I am negotiating for some games, but in case they do not come through I will probably play your Club, I will let you know definitely within the next few days. I am awaiting answers from several spots.

In regards to May 1st and 2nd at Portsmouth and Norfolk, I am trying to get in Richmond on Sunday, April 30th, have not heard from the men as yet, they are probably waiting on the schedule. I will not want to be in Norfolk and Portsmouth unless I am somewhere near on that Sunday, April 30th.

If you have any spots with your Team or any others in your League that you think would be attractive to me send them to me right away, as I have not really closed any dates as yet. But be sure and send me your address where you can be located when you leave Norfolk.

I am going to train in Florida, but have not definitely decided what City, will have that information also in a few days.

Yours very truly,

AM:CCJ
